

## Welcome to the Coding Boot Camp!

### **Jill Pettis**

Senior Student Success Manager

My goal is to help you successfully complete the program!

10+ years in educational management

Fun Fact: MA in Theatre

You can reach me at:

Email: jpettis@bootcampspot.com Phone: 800-674-7910.1727

Calendar: https://calendly.com/jpettis

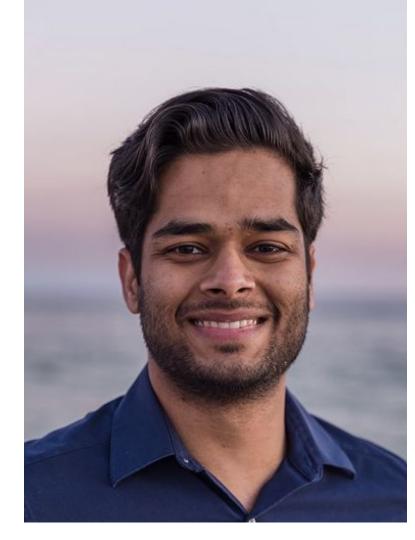

## Adarash Mishra Instructor

#### Currently:

I build Internet connected petcare products.

#### Fun Fact:

When I'm not working with technology I spend a lot of time outdoors, exploring new places and travelling. I believe in astrology depending on my audience.

## Will Utterback

**Teaching Assistant** 

Background:
Graduated from this boot camp!

Currently: Working in the field

Fun Facts:

I enjoy games, reading, and cats. I live in Houston. I'm an Aquarius and I think astrology is fake.

### **Rene Trevino**

**Teaching Assistant** 

Background:
Graduate of this boot camp!

#### Fun fact:

I live in san Antonio. I ride BMX, make films and websites. I'm an Aries, I believe in astrology.

### **Alex Christianson**

**Teaching Assistant** 

#### Background:

Middle school teacher for 10 years before completing this coding bootcamp in February

#### Fun fact:

I enjoy playing tennis, pickleball, disc golf, and spending time with my family. I am a Leo and I have no idea what that says about me.

## **Edwin Escobar**

**Teaching Assistant** 

Background:

Previous boot camp graduate!

#### Fun fact:

Newport Beach native now living in the ATX. When I'm not typing away on VS Code, I'm either painting, lifting weights, taking my dogs on lil' hikes, or rowing out on water here in Austin. After this bootcamp is wraps up I will make my regatta debut, competing in the Heart of Texas.

## Let's hear from you!

#### In 30 seconds or less, please share:

- Name
- Personal pronouns (optional)
- One fun fact about yourself

# **About the Boot Camp**

## **Week Graduation Requirements**

- Miss no more than 8 Virtual Classes
- Miss no more than 2 challenge assignments
  - Assignments graded 0 are considered misses
  - NO GPA; grades are not as important as submissission that gets a grade
  - Common for students to go back after the course to improve their assignments
- Fulfill tuition requirements within 2 weeks of graduation
- Full participate in all projects

NOTE: Drop deadline is 6/14/2022. To drop or request a transfer email jpettis@bootcampspot. com.

## **What We Expect**

- Be on time
- Be respectful
- Be honest
- Cameras on
- Submit assignments and projects on time
- Respond to the weekly survey
- Stay focused and pay attention (class pace is VERY FAST)
- Spend AT LEAST 20 hours per week practicing outside of class
- Ask for help when you need it (attend office hours, reach out to instructor or peers, request a tutor, schedule a meeting with your SSM, live chat through BootCampSpot, form study group(s), etc.)

You are responsible for your success, but you're not alone!

## **Boot Camp Code of Conduct**

- Adhere to the Rice student code of conduct.
  - o Code of Student Conduct
- Bullying of any kind is not acceptable classroom behavior. Bullying can include inappropriate remarks relating to anyone's ethnicity, religious background, sexual orientation, gender identity. It can also include making fun of, teasing, or harassing other members about their ideas, questions, or concerns.
- Conversations relating to any illegal activity, including illegal drugs or drug paraphernalia, are strictly prohibited.
- Sexual harassment, which includes remarks that can be perceived as provocative or sexual in nature, which includes comments towards individuals or one gender entirely.
- Class forums and platforms are intended for class-relevant content only.

## **Tips for Success**

- Use a calendar (digital or physical) to plan out your weeks
- Take advantage of Office Hours + Private Tutoring
- Form study groups
- Ask questions
- Stay engaged and reduce distractions
- Engage on Slack throughout class
- Set up a second monitor
- Please do not install updates during this class. Installs for class
   MUST be completed outside of class time
- Read instructions and use your glossary/cheat sheets
